## TESTIMONIALS

"Since changing to Everything Workwear as the supplier of our work uniforms and promotional shirts we have noticed a quicker turnaround time from order to delivery, a higher level of communication and a lower cost. I would have no hesitation in recommending EW to any organization."

Nathan Walker, Managing Director, Sharp DS Central Coast

In today's competitive market, you have to speak directly to your target audience. You need to inspire trust, reliability and familiarity. You need to be a brand, but how? With something deceptively simple: an iconic logo. Logo design is one of the most difficult skills in graphic design. Incorporated Design is a recognised company logo design specialist, it's our passion to provide memorable, recognisable logo designs. We guarantee inspired, unique and creative logos that succinctly capture the essence of your company and its core values.

**FREE LEXAR 2GB USB FLASH DRIVE! (LIMITED OFFER)**

For a limited time, receive your final logo design on a Lexar 2GB USB Flash Drive valued at \$20 as well as on CD and sent Via Email. This is valid for selected packages, please see the packages below for more information.

All of Incorporated Design's Logo Packages provide you with a tailor made, original logo design to use for your business or organisation. All rights to the logo are yours, and you can start using it immediately.

Our designers are all experienced, qualified, and Australia based. We create your design from scratch, and produce all illustrations ourselves. We do not use clipart or any templates in any of our logo designs.

Designs are created in vector format which allows them to be resized to absolutely any size with no distortion or pixelation. This means they can be used on any media from stickers to full size vinyl cutouts for vans, websites, letterheads etc...

We have our own data servers that are used to archive all of our work incase your copies have been lost or miss placed. Incorporated design will resend your completed logo package back to you free of charge in the event of data loss.
